

LUCY'S "GRAPE" ADVENTURE

Take a driving tour and visit the Lucy Desi Museum. Push buttons, spin wheels and hear great stories. Dine in elegance aboard a cruise liner while on a 2-hour cruise. Bring a camera for a picture of you stomping grapes at a local winery. If it's not fall or you are not the daring type, a grape vat minus the grapes is available for photo taking. Complete your "Grape" day at a local produce stand and receive a gift of the season.
